# ***Iran: News Agency, Blogger Post Photos of Bushehr NPP***

When Russia and Iran reached an agreement whereby Russia will supply nuclear fuel to Iran's Bushehr Nuclear Power Plant – as reported by FBIS\* – at the end of February 2005, Iranian Fars News Agency (farsnews.com) and a Persian blogger (rasanic.com\*\*) posted a series of pictures. Fars photos include interior and exterior views of the facility, including many shots of the signing ceremony. Fars also posted photos from a related news conference held at the end of August 2004 by the deputy chief of Atomic Power Plants.\*\*\* The blogger posted exterior and aerial shots of Bushehr NPP, as well as one of the Fars interior shots with an AFP logo.
